# CROWDED CONDITIONS AND CHANGES

St. Joe and Elkhart  
run a few miles through our  
city. Their streams winding  
past factories, parks and  
homes. The city, modest or  
pretentious, has tree-shaded  
streets, all backyards and gar-  
dens sloping down to the river.  
Our parks, large and numerous,  
are along an industrial town.  
With modern well-lighted  
buildings. Spires of churches

are varied and numerous. More  
than 300 industrial plants, most  
of them locally owned, pro-  
duce everything from one-inch  
I.V. tubes to 33-foot trailers.  
Formerly a railroad, Elkhart  
is still a terminal. A home-owned  
radio station keeps on for  
eighteen hours.

Classes spilling over into the Methodist Church next door, students studying most anywhere (in cars, in corners, at the Public Library), and an influx of 750 sophs making our halls more crowded than ever . . . that was EHS in the fall of '58.

However, Superintendent Rice has given us new hope. When the new West Side Junior High School is completed, we can expand into all of the Central Junior High School Building.

Meanwhile study halls were made into classrooms, schedules were adjusted to the new conditions, and classrooms were added wherever possible.

Or in a locker.

A borrowed classroom: the ME Church's nursey.

Studying most  
anywhere: on the  
library steps . . .

These crowded conditions caused us to have "staggered programs;" that is, some of us came to school at 8:15 and others came later. For some, classes ended at noon; for others, at 3:40.

However, this new program offered a challenge to juniors and seniors. Now we were really on our own; we had to make our own study schedules and try to fit them into our activities or jobs or our family and church life. For the first time we knew the real meaning of homework.

Learning under these conditions was new to us, but encouraged and inspired by good teachers, we tried to keep up our high standards of scholarship.

The Public Library was always full of kids with a "free" hour.

There's hardly enough room to move in the crowded EHS halls.

Miss Crombie, from England, teaches English and history.

Enthusiastic and capable, Dr. Schilling, our new curriculum director.

We are very proud of the fact that Elkhart's good schools attract many visitors in the course of each school year. They come (like Dr. Conant) to study our "comprehensive school," or just to visit us.

Sometimes our visitors stay to work with us; that's how we got our lovely Miss Crombie and our enthusiastic Dr. Schilling. He came to visit and returned to head our curriculum study.

New courses, as well as new faces, were a part of the year of '59, such as Mr. Harvey's special math classes. Other new classes in science and English were also offered.

A new course this year—Mr. Wenger's Debate class.

Mr. Harvey instructs his Advanced Algebra class, held at night.

# WITH STUDENTS IN THE COMMUNITY

The St. Lawrence River flows gently through our town, their streams winding past factories, parks and homes. The homes, modest or pretentious, line tree-lined streets with backyards and gardens sloping down to the river. Our parks, large and numerous, this being an industrial town, with modern well-lighted buildings. Scores of churches are dotted toward the sky, many churches; we are a church-going town. Elected mayor-for-a-day, Cathy Delridge learns about city government from Mayor Danielson.

When our community plans a project, puts on a drive or celebrates a historic event, many EHS students take part. We ring bells for the Salvation Army, collect money for the "March of Dimes." We serve on committees, put up posters, or work on mailing lists. In many ways we become a part of Elkhart.

Taking part in one community activity, Judy Sorg and Jerry Wright help the Salvation Army.

In September when Elkhart's Centennial year was being celebrated, almost everyone was acting in the pageant, ushering at the shows, making and riding on floats in the parade or "queening it" over the festivities.

Perhaps the most outstanding event of the Centennial was the Meredith Willson "Music Man" night at the half of an EHS football game. Our musicians (76 trombones and all) played right along with famous musicians. It was a night to be remembered.

An unforgettable moment for Julie Yeknik—Bill Paige crowns her Centennial Queen.

**EHS Class Cracks Math**  
**Books On Own Time**

Story Tunes, a lot of about ten hours, 20 EHS math students are studying a new study challenge in the department.

The students are not doing much of their work in class, but rather they are taking a "homework" step in the classroom. They are each given a book to read and a problem to solve. The book is a book called "Math" and the problem is a problem called "Math".

## Science Sets The Pace

Getting ready  
for an experiment.

In Biology we learn to see ourselves as a part of the world of living things. We learn to recognize our dependence on other living things and to understand our place in the scheme of nature. We learn to use the scientific method and approach in Chemistry. Under the watchful eye of Mr. Gill, we do experiments to help us understand what our world is made of. Many of us also learned (for the first time) to be neat and exact.

In Physics 11 we find out about the world around us. By experimenting with weights, pendulums, micrometers, and circuit boards, we learn lab technique, becoming familiar with lab apparatus.

Working in the chem laboratory, Carlie Richardson, Lynn Schweiger, and Steve Reim distill water.

Students in Physics class  
test audio amplifiers.

Studying plants in Biology,  
we identify and  
classify leaves.

D. Cappelletti practices reading German script.

## We Learn Of Other Lands

Four foreign languages are offered at Elkhart High School with a fifth, Russian, to be offered next fall. German is a relatively new language taught at EHS. Songs, stories, and conversations help us gain our objectives of reading, writing, and understanding the German language as well as the country. Many practical uses of Spanish are taught for the students who may visit our Latin American neighbors. We also do supplementary reading in both Spanish and English. Most Spanish students belong to the Spanish Club, which helps them understand the Spanish countries and customs.

Diane Funderburk displays a doll for a project in Spanish class.

In our French classes we hear many French recordings. In addition to working with a tape recorder, we also do oral and written work and learn much about the country of France. We enact various skits and short plays in these French classes, as well as French songs sung at holidays to acquaint the students with informal uses of the language.

B. Matthews, and G. Tschumakow practice conversing in French.

Latin is taught in order to increase our understanding and appreciation of the Romans and their contributions to civilization. Each year during National Latin Week, we make projects about ancient Roman life; at the end of the year we have the Roman banquet.

Dave Erne shows the class his project for National Latin Week.

H. Alm and J. Wiesner construct figures in Geometry 10.

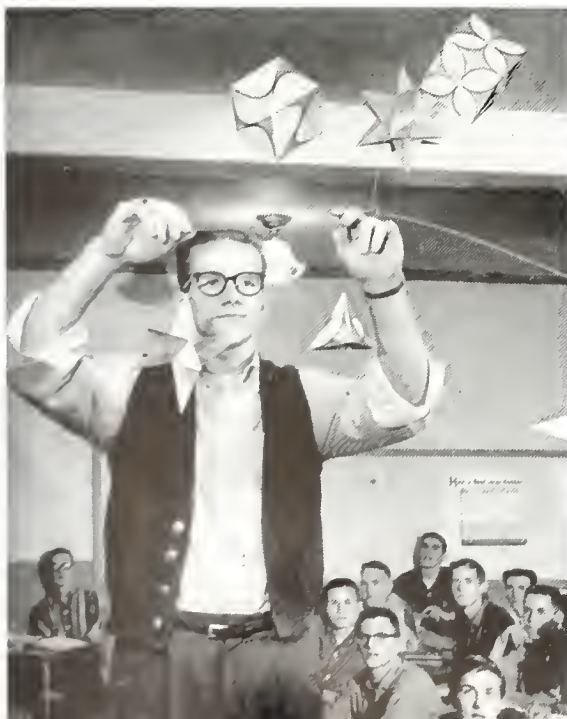

## Math Trains Minds

Eight math courses are offered, for pupils on various levels of ability. Math courses provide good mental gymnastics, for instance, Geometry 10A.

In the twelfth year Trig-Alg. 12 covers the solution of triangles, complex numbers, theory of equation, and calculus, a good preparation for math and science courses in college.

Ann Work shows Bill Morgan the solution of an oblique triangle.

Pete Lynch arranges a mobile of geometrical figures.

# We Acquire Skills

Personal typing is a course for students desiring an elementary training for practical purposes.

In Shorthand classes, the secretary of tomorrow works for speed and accuracy.

Merchandising, offered in both junior and senior years is a part-time work experience course in phases of actual selling.

Students learn that practice makes perfect in personal typing class.

Taking dictation is an important part of learning shorthand.

Gary Lehmen displays several Kodak products in Merchandising.

## History Gives Us Our Heritage

American Problems, a senior course, gives the student an idea of his responsibility as a citizen in the local government as well as the state and national government.

United States History, an eleventh grade course, gives the student an understanding and appreciation of the history of our country.

World History, a tenth grade course, develops cultural values in the student's life.

Studying the map in World History, we learn about different countries.

E. Gonama discusses current affairs in U.S. History.

Foreign student from Germany, Marie Schuchardt, leads a panel discussion in American Problems study.

Rachel Fisher discusses a defense mechanism chart in Effective Living.

Effective living (above) is a course concerned with social adjustment and the study of personal problems and their solutions. A study of basic psychology is strengthened by use of films, charts, discussions, and lectures.

A study of the city map—a part of the in-class study in Driver Education.

## English Stresses Reading and Writing

In our senior year we take into consideration our future plans as we choose our English courses. Seniors planning to go to college take Writing Laboratory, a semester course in composition stressing the mechanics of punctuation, sentence structure, paragraphing, and documenting a term paper.

The study of the Bible gives us a richer background by providing a better understanding

Part of English 11A: learning to write good paragraphs.

of the greatest collection of all literature. In the first semester we study the history of the Jewish people; in the second semester, the life of Christ.

In the junior year pupils may take English 11A, a combination of the study of American literature and grammar. To aid us in our study of American literature, we listen to many fine recordings of American poetry.

Dramatizing Biblical scenes helps us visualize Biblical times.

By organizing outlines in Writing Lab., we improve our themes.

Painting scenery and props, dramatic students prepare for the presentation of "Teahouse of the August Moon."

## And Speaking

Seniors interested in speech can take Radio Workshop, in which we prepare programs to be broadcast on both local radio stations, WCMR and WTRC. Another aspect of speech work is dramatics. Two courses are offered in the study of drama and of the interpretation and production of plays.

Members of Radio Workshop participate in a drama given during National Education Week.

Linda Burnham making a speech: the introduction, the delivery, the criticism.

In Modern Literature, Shirley Boots reports on a magazine.

## Special Courses Help Us . . .

In order to help Johnny read, our school offers three types of reading courses: one for non-readers, one for slow readers, and one for those who want to read faster with keener comprehension. Reading pacers and speed films are part of the modern approved equipment used in Developmental Reading classes.

Another English course is Modern Literature, a two-semester course offered as an elective in the senior year. In class we read and discuss magazines, short stories, plays, biographies, and the newspaper. The course is designed for leisure time reading, listening, and seeing, in adult life.

We improve our reading ability in special reading class.

Using pacers in Developmental Reading class, we increase our reading rate.

Dave Darling, student director, a part of music education.

## Arts: Useful and Satisfying

In Band, Orchestra which meet each day, musicians learn to play, to interpret, to appreciate. Even though our program has many practical courses, the arts are not neglected. The art workshop offers us every type of artistic training from the practical to creative, and in using all media.

Homemaking is a wonderful career: it has many rewards and pleasures. Our Elkhart High School homemaking department reflects the many activities of a real home: planning menus, balancing budgets, making and repairing clothes, caring for children, and the study of family relationships.

In Printing Art we practice neatness and exactness.

We gain first-hand experience working in the homemaking kitchen.

Billy Roose operates a milling machine, in Vocational Machine Shop.

The actual building of a five-room house was the work of the Building Trades class this year. The boys had units in masonry, wall construction, roofing, finishing and plastering. Wired with the help of the electricity class, the house was ready for exhibition in May. When the house was finished, the homemaking classes planned the decorating scheme. This EHS project made front page news.

Boys put exterior trim on the house constructed in Building Trades.

## We Learn a Trade

Because EHS offers such a wide variety of vocational courses, boys are able to graduate from our high school with extensive training for their chosen occupations. In Electricity 10 we learn electrical theory, study electrical diagramming, and plan a few practical circuits on paper. In Vocational Machine Shop, a three-hour course, we learn basic fundamentals one hour, and work in the machine shop the remaining two hours. In Auto Mechanics 10, we study fundamentals, main parts of the automobile frame, hand tools, and the internal combustion engine.

D. McCreary, P. Neal, and J. Quarandillo cut and measure boards for house construction.

We learn the fundamentals of electricity, working with actual circuits.

Mr. Crosier demonstrates the automobile coil to F. Campbell and D. Cornelius in Auto Mechanics 10.

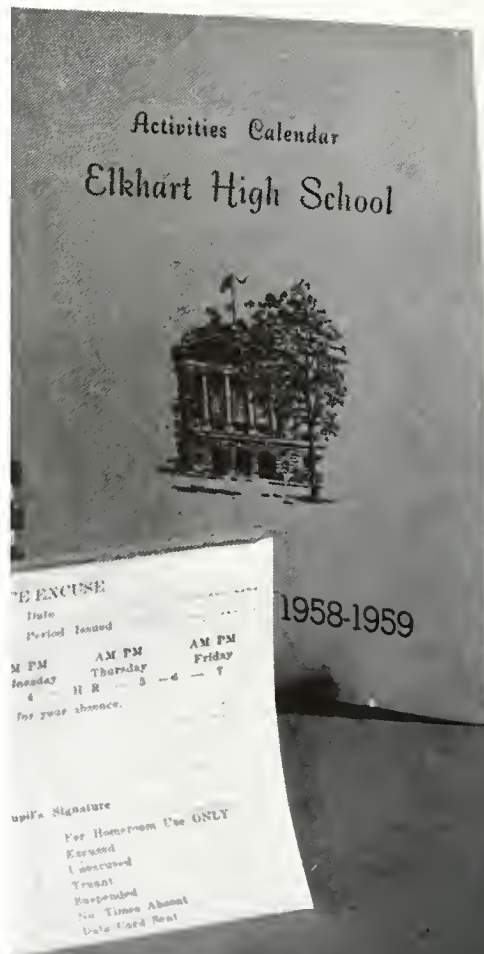

A course which prepares boys for a future in drafting is the three-hour class, Vocational Drawing 12. Here many types of advanced drawing are painstakingly and carefully executed; they cannot vary one one-thousandth of an inch. A boy who is a good draftsman will have no trouble getting a job.

In Vocational Drawing we must make precise measurements.

## Student Council

A spirit of self-government . . . high ideals of citizenship . . . self-control . . . self-reliance . . . leadership—these the Student Council tries to instill in every student at EHS.

The Council, made up of one representative from each homeroom, sets up the hall monitoring system, inspects lockers, plans pep sessions, and helps finance the A. F. S. program by sponsoring a play and a dance.

Everything possible to fulfill its duties to the students and the faculty has been done by the Student Council, with the help of the sponsors, Mr. Updike and Mr. Kaufman.

Mr. Sunthimer presents the locker situation to the Student Council.

N.H.S. members view posters to promote Brotherhood Week.

Tag Sale for Brotherhood Week.

## National Honor Society

Creating enthusiasm for scholarship, stimulating desire for rendering service, promoting leadership, encouraging the development of character—these constitute the goals of the National Honor Society.

With the help of Miss Fricke, the sponsor, the club has had several projects to further these aims. During Brotherhood Week, tags were sold and a display was put in a store window. A Chop Suey Supper was held to sponsor a \$100 scholarship for a member.

On May 1, NHS members honored the faculty with a tea.

The last activity of the year was the induction of selected juniors as members of the next year's NHS.

A panel discusses occupations: Reverend W. Doyle, Sergeant Jack Hartranft, Edward Stewart, Dr. Stan Warner, and Prin. C. P. Woodruff.

## Boys' League

The Boys' League is an organization that promotes qualities of good character, a feeling of unity, and a means of better social judgment. The advisory council, composed of five boys elected from each class, meets frequently to discuss preliminary business which is later presented to all boys during scheduled meetings. Mr. Dorrance Rogers, League advisor, helps plan their programs and activities such as: a panel on occupations, a talk by John Davies, a Coke party, and the last project of the year, the All-school picnic.

Officers: Secy., Steve Price; V. P., Phil Campagnoli; Pres., Stan Hooley; Treas., Jim Stewart.

## Girls' League

Serving the needs of all girls at EHS is the purpose of the Girls' League, sponsored by Mrs. Fitzgerald.

Informal affairs for the girls were the Kid party and the coke parties held on class levels. Together with the Boys' League, the Girls' League sponsored an annual affair, the all-school picnic.

A Vesper Service, honoring seniors, ended the year's League activities.

Officers: Secy., Judy Sorg; V.P., Lea Ann Hartzler; Pres., Viv Mitchell; Treas., Cynthia Templin; Spons. Mrs. Fitzgerald.

The Girl's League Advisory Council hears a report by Viv Mitchell, Pres.

Officers: Secy., Linda Burnham; Secy., Sally Wenger; Pres., Dick VanDerKarr; V. P., Mary Jo Peterson; Soc. Chm., Ross Schneider; Treas., Dennis Miller.

## National Forensic League

The thirty-five members of the National Forensic League along with the Radio Workshop and Debate class worked together to further interest and participation in speech at EHS. By competing in interscholastic contests, presenting assemblies at Thanksgiving, Christmas and in the spring, reading morning announcements, producing and performing on Teen Turntable, giving programs for homerooms and entering original oration contests; such as, "Voice of Democracy" and "My True Security," members advanced this goal.

The meetings this year featured speakers including our foreign students and prominent Elkhart businessmen. Club members also entertained each other with humorous or dramatic readings.

N. F. L. ended its activities this year with the Speech-Drama Banquet held with the Thespians at Hotel Elkhart.

Officers: Recorder, Donna Stringer; Secy., Judy Simonson; F.P., Julie Yeknik; Pres., Betty Grillo; Treas., Barbara Friesner; Soc. Chm., Carolyn Hartzler; Soc. Chm. Ross Schneider (not pictured).

## Thespians

Under the sponsorship of Mr. Bussard, Thespians and Jr. Thespians met Monday evenings from 7 to 9 p.m. Discussions of the theater added to the enjoyment of the meetings.

All members have an opportunity to earn points by working in the Senior, Junior and All-School plays. On March 30, Thespians held an evening of drama in the auditorium for the Junior Thespians in order that they could earn points toward becoming Thespians.

Thespian activities ended on May 8, with the Speech-Drama Banquet held at the Hotel Elkhart.

Two Thespians check light cues.

Spanish Club plays Bingo.

## Spanish Club

Promoting a better relationship between students, promoting the oral use of the Spanish language, acquainting the members with the customs of Spanish-speaking lands, and promoting a better student-teacher relationship—these are the purposes of the Spanish Club, under the sponsorship of Miss King.

Many interesting meetings were planned for the members. Among some of the speakers in these meetings were Miss Crombie and Dr. Schilling.

Eligibility for the Spanish National Honor Society is extremely competitive. A student must have studied Spanish for at least three semesters with a B-plus average, be in the upper fourth of his class, be a good high school citizen, and show interest in Spanish-speaking people.

Meetings of the Spanish Club are held once a month. In these meetings business was discussed and plans for a trip to Chicago were drawn up.

During their trip to Chicago on May 9, the members ate at a Mexican restaurant and later went to see "The Music Man".

Officers: Pres., Becky Harvey; Soc. Chm., Cynthia Lansche; Treas., Ron Kent; V. P., Nancy Mathias; Secy., Christine Johnson.

French Club members work on the French Club Supper.

## French Club

The French Club, under the supervision of Mrs. Grillo, gives French students the opportunity to learn more about the culture and the people of France. The club met in the evening, once a month, at the home of a member.

Speakers acquainted with France spoke to the club on various interesting subjects. The club sponsored its annual Christmas Supper in which the special feature of the evening was the French Caroling.

Two of the foreign exchange students, Marie Schuchardt and Eleanora Gomma, were active members. They wrote the script for the Soiree. The final event of the year, the Soiree, was an entertainment night given by the French students for their parents. The proceeds from the Soiree will be used to send a French student to a French university in Quebec, Canada.

Officers: Soc. Chm., Susie Parmater; V. P. Kay Krumpitz; Pres., Sue Stubbins; Treas., Lynn Cormican.

Officers: Pres., Dennis Miller; V. P., Karen Stephenson; Secy.-Treas., Joyee Graff.

## Paint and Palette

Giving those persons interested in art a chance to learn more about art, and to develop their interests in art is the main purpose of the Paint and Palette Club.

The members have gone to Chicago, Notre Dame, and St. Mary's College to look at art museums. This spring some members plan to do landscaping and painting along the river.

As a service project, the club members usually make favors for hospital trays. In their programs they have speakers on various phases of art: ceramics, oils, sketches, and paper mosaics.

Paint and Palette Club observes an art display.

Distributive Education members judging a window display.

## Distributive Education Club

The Distributive Education Club, under the sponsorship of Miss Kirkland, works to further interest in various phases of distribution, to develop leadership, and to interest members in participating in the state and national club.

Pupils enrolled in the Merchandising 12 Class automatically become members of the local branch of the Distributive Education Clubs of America and of the Indiana organization.

Several members went to the state conference at IU and won awards in the interview and window display departments.

Officers: Treas., Kenneth Twa; Secy., Debra Colvard; Soc. Chm., Barbara Birlew; V.P., Phyllis Grose; Pres., Carolyn Neece; Hist., Mary Beth Fike.

## ***Florence Nightingale Club***

The Florence Nightingale Club is devoted to promoting a better knowledge and understanding of health careers.

Among the many special activities of the club, the members enjoyed filling stockings for mental patients, visiting Memorial Hospital, seeing health movies, helping with the Heart Campaign and assisting with the nursing conference on College Night. Especially impressive was the dinner honoring the senior girls of the club.

## Future Teachers Of America

The Future Teachers of America Club, under the sponsorship of Miss Jones, strives to create more interest in the field of teaching.

This year Dr. Schilling spoke to the club on "What Makes a Good Teacher." A panel composed of Miss Jeri Emmert, Mr. Rex Harvey, and Mr. Roger Niemyer discussed the various aspects of teaching.

In April, the club sponsored a trip to a meeting in South Bend for students interested in teaching.

The Club made posters of "Good Citizens of the School." Also this year the organization was awarded the Dime Line Trophy.

## *Junior Academy of Science*

The Junior Academy of Science stresses member participation in all of its activities, thereby promoting an interest in various fields of science. Meetings are held one evening every month at one of the member's houses. Programs included talks by the members themselves on their various projects: analyzing aspirin, Casin plastics, model atomic reactors, learning how the atomic bomb works.

Several of these projects were exhibited at the Northern Indiana Regional Science Fair held in Goshen on April 11.

A dinner was held this spring, instead of the usual field trip, to recognize the senior members and their projects. This dinner was financed by the club dues.

## Amateur Radio Club

Amateur Radio Club members  
talk over transmitters.

To aid its members in becoming proficient in electronic theory and amateur radio operating procedures is the aim of the Amateur Radio Club, under the sponsorship of Mr. Rohrer.

Two communication receivers and one transmitter are now being used in the two short-wave stations operated from the high school.

In June the club members will operate a station in some farmer's field under emergency conditions for twenty- four hours. Besides running the station, they will generate the electricity needed to run the station in the field.

Officers: Secy., Linda Oklitz; Treas., Dave Southall; Pres., Lyel Upshaw; V.P. Ted Smith.

## Triple L Club

Leadership, loyalty, learning—these are the qualities each member of the Triple L Club strives to obtain.

This service club meets on Thursday evenings at one of the fifteen member's homes. Mrs. Burkhardt is the sponsor who helps the members in all of their activities.

Selling carnations at tournament time, providing good bulletin boards, participating in the Dime Line—these were just a few of the many activities of the club.

A very interesting program for the members was our foreign students, Marie Schuchardt and Eleanora Gomma, informing the members about life in their respective countries, Germany and Brazil.

At the close of the year, the Triple L girls were able to donate \$40 of their earnings to the Foreign Student Fund.

Officers: V. P., Lynn Francisco; Treas., Frances Sarber; Soc. Chm., Ronda Keller; Pres., Janet Schuster; Secy., Sandy Maurer.

## Future Homemakers of America Club

The Future Homemakers of America Club strives to instill in its members well-rounded personalities, wholesome family lives and the will to be an asset to the school and community.

The club meets the second and fourth Tuesday evening of every month. Miss McKeehan and Miss Amsbaugh sponsor the club and its many activities.

Selling Blazer pennants, helping with the dime line, having a supper with the three foreign exchange students—these are just a few of the many activities of the club. The members attend the spring and fall district meetings and also the state convention in June.

The candlelight initiation of the new members at the beginning of the year was an impressive and fascinating meeting of the club. The club also had many other interesting meetings during the year in which the members learned much about homemaking.

## Y-Dance Council

The Y-Dance Council, with Mrs. Templin as sponsor, provided recreation for the students of EHS. The Council met each Tuesday after school at the YWCA to plan dances following football and basketball games or other sports events. Also they sponsored dances on Friday or Saturday night after basketball season was over. Other school teams and fans were invited to the dances as guests.

A canopy of blue and white crepe paper hung over the Y gym floor for the majority of the dances.

Among the bands which played for these dances were: The Rhythmaires, The Accents, Kenny Powers, and Dave Darling's Band.

The proceeds from these dances went toward the American Scholarship Fund and improvements, such as remodeling the stage in the YWCA auditorium.

The Council consists of the following EHS students: seniors, Tom Everts, Rhea Belinky, Barb Birlew, and Henry Levinsky; juniors, Cynthia Templin, Chuck Robbins, Lucy Russo, and Marvin Levinsky; sophomores, Dave Miller, Dave Dygert, Mary Jo Fortino, and Judy Sorg.

When bands weren't available for these dances, records were used. For these record dances the Council bought many popular records for the kids to dance to.

Y-Teens prepare the "Swing" decorations.

Through service such as sponsoring an Easter party, working for the Salvation Army, caroling, and participating in World Fellowship Week, Y-teens have tried to attain their club's goals of building a fellowship of girls and growing as persons in the knowledge and love of God.

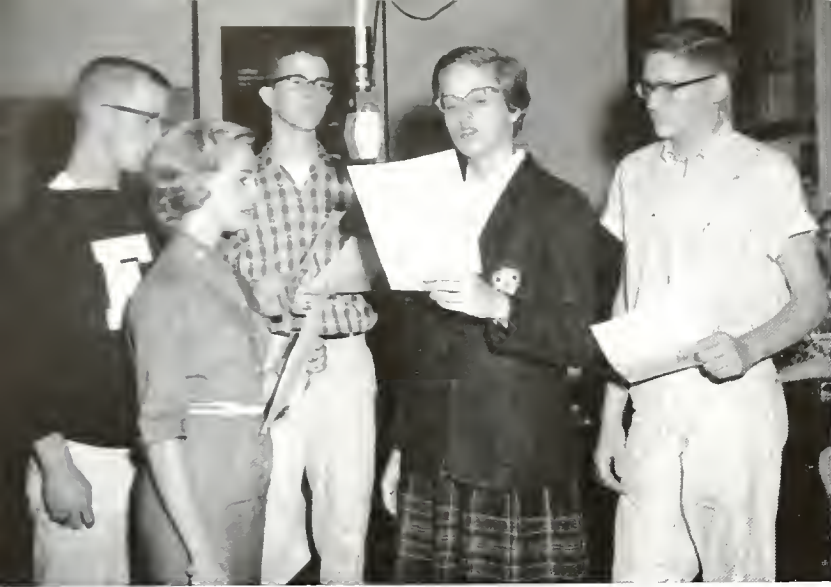

As a major project for the year the annual Sweetheart Swing was presented. It was held on February 14, with the Notre Dame Dance Band providing the music. Kay Newman, queen, and her attendants, Judy Taylor and Betty Vance, reigned at the dance. Sue Parmater served as general chairman for the dance.

## Speech at EHS

Senior speech at EHS this year was divided into two parts, radio broadcasting and advanced public speaking. Students produced two radio shows a week, "Your School Highlights," on WTRC and "High School Highlights", on WCMR.

Class members wrote all the scripts, operated the broadcasting equipment and announced the entire program. The Radio Workshop also produced the entire programs for Thanksgiving and Christmas assemblies.

Fourteen seniors interested in discussion, debate, and extemporaneous speaking joined the Speech 4 class which met in place of the Radio Workshop during the second semester. The Speech 4 class, along with NFL presented a Junior Town Meeting in the Speech assembly on April 1.

## The Junior Follies

"Rockin' the Moon" was the theme chosen by the Junior Class for the Junior Follies. The Follies were presented October 18 in the high school auditorium.

To carry out the theme, a high school astro-physics class and its teacher took a field trip to the moon with amazing results. An interchange of talent from the people from the moon and the Earth added to the hilarity of the production.

The talent from the moon was demonstrated for the Earth people by the Lunar Lovelies (a girls' chorus line), a boys' chorus line, the Hoop-la girls, and the Moon Cats (Jim Haselwood's band). The Earth people introduced the Moon men to Rock 'n Roll and, more specifically, to Elvis Presley.

## Senior Class Play

The class of '59 presented "Teahouse of the August Moon" on November 14, 1958 in the high school auditorium. The play starred Carolyn Baum as Lotus Blossom and Walter Loney as Sakini with a supporting cast of Betty Grillo, Joe Griffin, Tom Schultz, and Tom Deputy. Authentic Japanese costumes also added a note of color to the production.

The play centered around the antics of Sakini, an Okinawan interpreter, and the chaos he created for the U. S. Army. Because of Sakini, a teahouse instead of a school was built, with comical results supplied by various army officers.

## The All-School Play

*The Diary of Anne Frank* by Frances Goodrich and Albert Hackett was this year's all-school play presented on February 12 and 14. Mr. Bussard directed the play with the assistance of the student director, Patti Waggoner.

The story takes place in a small attic in Amsterdam where the Frank and Van Daan families lived for over two and a half years hiding from the Nazis. Because this play was the heart-warming story of the growing up process of a young girl, it makes us realize the hardship of other people's lives.

The cast included: Roger Ramsey as Mr. Frank, Betty Grillo as Mrs. Frank, De Vere Pliskin as Anne, Sally Wenger as Margot, Ron Kentas as Mr. Van Dann, Diane Funderburk as Mrs. Van Daan, Dale Tarnowieski as Peter, Leonard De Dario as Mr. Dussel, Carl Benander as Mr. Kraler and Ruth West as Miep.

Choir students decorate for Christmas Concert.

Four Choirs comprise the vocal music group at EHS: Girls Chorus, Mixed Chorus, Girls Choir and A Capella Choir. Practicing daily, these groups have given concerts, taken trips, and enjoyed a busy successful year.

The year's activities began with participation in the North Central Chorus, a combined chorus which sang at the South Bend Teachers' Meeting.

Then came the preparation for and the presentation of the annual Christmas concert, with its effective decorations, its traditional processional and its outstanding selection of choral numbers.

This concert was presented on two evenings, December 11 and 13.

Girls' Chorus.

Local contests, followed by district and state competition, began in January; the singers brought home many medals and honors. On March 6, the Choir performed at the Band and Orchestra Concert, singing Hanson's "Cherubic Hymn". On March 20, the choirs gave "He Is Risen", a cantata, as the Easter Assembly. The Annual spring Concert was given on April 30. Special numbers were "Holiday", "Drink to me Only", "Salvation is Created", and selections from the MUSIC MAN. Before singing the "Halls of Ivy", senior choir members

were honored by Mr. Gowdy. During the year the choir groups sang at many community affairs, and took trips to the Music Festival at Michigan City as well as enjoying a spring vacation trip to Chicago to see THE MUSIC MAN. The choirs ended the year's activities with their appearance on stage at Baccalaureate, the seniors being in caps and gowns. Mrs. Ethel Kambs was the accompanist for the choirs; Mr. Gowdy, the director.

Symphony Orchestra

## EHS Symphony Orchestra

The Elkhart High School Symphony Orchestra has been recognized as one of the largest and finest high school orchestras in the United States. This year one of its highlights was giving a concert for the Wisconsin Mid-

Winter Music Clinic at the University of Wisconsin.

The first Band and Orchestra Concert was given November 22. Mary Kollat played a piano solo; the Sunset Musicarama was accompanied by "Clair de Lune." The orchestra and the A Cappella Choir did "The Omnipotence" for the Christmas Choir Concert.

The local, district and state contests occupied much of the members' time during the first of '59, but the participants were awarded by many solo and ensemble firsts at State Contest.

The Winter Concert featured cello soloist Joy Potter and the EHS Choir singing "The Cherubic Hymn."

A pleasure trip was taken by high ticket salesmen to Chicago in early May. They attended "The Adventures of the South Sea" Cinerama and the Chicago Symphony Concert. The Band and Orchestra presented the Senior Concert on May 22.

## EHS Symphonic Band

The EHS Band gives students who play band instruments a chance to improve their skill and learn more about music. Here at Elkhart High we are fortunate to have an excellent concert band, which has played for city functions as well as out of town.

Besides giving three concerts with the Orchestra, they performed this year at Rochester and at Beatty General Hospital in Westville during spring vacation. Also, at the State Band and Orchestra Contest, members received 131 1st division rating medals—over twice the amount received by any other high school in the state.

The marching band played for the six home football games, putting on a well-received half-time show at each game. They were also invited to march at the South Bend Riley out-of-town game and in the Centennial Parade. Selected members of the Pep Band played for all home basketball games and pep sessions. We have every reason to be proud of our fine high school band.

## Pennant Weekly

The pounding of typewriters, a steady flow of news, rushed trips to the printshop, last minute press delays and the long-awaited roll of the presses—all these are scenes which will flash back to Cathy Delbridge, Kay Newman, and Kathy Deal who headed the 1959 *Pennant Weekly*.

Each Friday morning the news of the school was published with the assistance of Dave Erne, sports editor; Nancy Mathias, Sue Rauser, Carole Dirks, and Barbara Austin, assistant editors, and Judy Brown and Jacque Mitchell, copy editors.

Dick Deputy and his assistant Don Gonsoski took care of the *Weekly's* business; Bill Wiseman was circulation manager.

Cathy Dellbridge, editor, had as her reporters: Roger Ramsey, Tom Warfel, and fourteen juniors and sophomores.

Writing for Kay Newman, feature editor, were Judy Wolf, Lea Ann Hartzler, and a number of underclassmen.

Sports staff . . . Standing: Cawley, Walton; seated: Silcott, Bibler, Wells, Erne.

To aid in the financial support of the *Weekly* is the ad manager, Kathy Deal, and her staff.

Sports writers for Dave Erne were: Bob Silcott, Mike Bibler, Bob Walton, John Cawley, Steve Butler and Jeff Wells.

The six-page red and green Christmas edition was the first of several special issues published; the second was the Blue and White *Pennant*. The Nut Issue—*Type-Smoke, the Western of the Mid-West*—was published on bold purple paper. Nancy Mathias and Sue Rauser as co-editors headed the *Underclass Pennant* which came out April 24. The *Senior Pennant* was the last issue of the '59 *Weekly*.

## Pennant Annual

Work on the Pennant Annual began in October for the editorial staff. The first task was to choose a theme for this year's book. The staff chose "EHS is in the News" for an appropriate theme. After the theme was chosen, the staff then decided on the color and design of the cover.

Members of the Pennant Annual staff this year were co-editors, Judy Goldsberry and Tom Deputy; assistant editors, Diane Fischer, Judy Edwards, Sue Stubbins, and Merikay Wiley; business managers, Bill Davidson, Bill Rice; assistant business manager, Carol Bridges; and advertising managers, Ann Feddersen and Steve Emmert. Fitting copy, selling ads, taking pictures, making picture schedules, setting up a sales campaign, selling subscriptions, pasting pictures in the dummy—these are only a few of the staff's undertakings.

Along with the editing of the Annual come the smaller, yet time consuming and important jobs.

The sports staff consisted of: *basketball*, Wally Summers and Phil Campagnoli; *football*, Bill Raftree; *track*, Ted Jackson; *baseball*, Jerry Wright; *tennis*, Dave Darling; *golf*, Bob Moenich; *wrestling*, Louis Fairfield; and *cross country*, Stan Hooley.

The *senior committee* was composed of Judy Hannah, Carlie Richardson, Sherille Cunningham, Judy Cittadine, Judy Drake, and Sue Wartsler.

*Club writers* were Lynn Cormican, Dick Van Der Karr, Barbara Benham, Sue Parmater, and Sharon Lambdin.

The *underclass picture committee* was Judy Simonson, Rachel Fisher, Martha Potter, Linda Hulbert, Sally Litke, and Kay Parsley.

*Music and drama writers* were Alice Hendrickson, Sarah Geiger, Ann Work, and Betty Grillo.

The subscription salesmen sold 1400 copies of the Annual in homerooms.

On the sales committee with Bill Davidson as chairman were Rudy Drexler, Mary Neff, Marc Froelich, Donna Stringer, Lee Hartzler, Linda Williams, Peggy Corns, Heidi Linder, Betty Vance, Steve Reim, Lynn Francisco, Dorothy Graff, Gary Mann, Ann Cleveland, Marlene Craig, Judy Forry, Carol Anderson, Roberta Davy, Phyllis Grose, Peg Niece, and Lind Harcraft.

### Cheer Block, Pep Band In Action

The Cheer Block, sponsored by Miss McKeehan and Miss Campbell, are again yelling themselves hoarse at the home games. The all-girl cheering section is wearing the reversible blue and white jerseys with a belt in their hair.

### Splinters From the Bench

Well, tonight a little splinter from the bench. The Blazers meet their old rival, the Bees, in the North Side Gym at 8:00 o'clock. Although the game will be played on the Blazers' court because of the Blazers' heartiness.

### Blazers Bounce Ft. Wayne North

Last Friday night the Blazers bounced Ft. Wayne North 23-11 at the North Side Gym. The Blazers led throughout the game, with 14-9, 26-19, and 22-11 quarterly scores. They took 20 points, while Ft. Wayne took 11 points.

A letter box was set up outside the school before the game. This was the first time the school has ever had a letter box set up outside the school before the game.

## Blazers win first five; training helps.

Rugged practice paid off for the Blazers as they won their first five games. A program of weight lifting and running gave the Blazers good physical shape as official practice time came around. About eighty seniors and underclassmen turned out on August 15. Because the gridders were in such good shape, they were able to concentrate more on the basic fundamentals of football: blocking, tackling, and passing. The Blazers held two practices per day under Coach Janzaruk, until school started. David Haines joined the ranks as assistant B team coach, as a small but eager group of sophomores turned out for football. In the first game of the season, Phil Campagnoli scored two of Elkhart's touchdowns and passed for two more while leading the Blazers to a 34-6 victory over F.W. North's Redskins.

Touchdowns by Moyese Williams, Bob Held, Ted Jackson, Harold Hansborough, Phil Turnock, and Duane Turnock proved to be too much for St. Joe, as the Blazers trounced the Indians 39-13. Duane's 46 yard interception run for a T.D. was the highlight of the game.

## Blazers beat Goshen; rout Fort Wayne Central,

The Blue Blazers extended their season win streak to 3 in a row by halting Goshen's 3-game win streak. After the opening kick-off bounced off a Blazer line-man, Goshen recovered and scored in fourteen plays, to take the lead 7-0. E.H.S. marched to the Redskin's 31 yard line and fumbled, Goshen recovering. The joy of the Redskins was short-lived, however, as Jim Stewart intercepted and returned the ball to his 38. Ted Jackson and Phil Turnock carried to the 1, and Camp wedged into paydirt. A Goshen drive bogged down on the E.H.S. 36 yard line and Elkhart took over. Camp passed to Buzz for the score. On the first play after the kick-off, Jack Turnock stole the ball. Teddy Jackson scored three plays later to make the final score Elkhart—20, Goshen—13.

In the next game with the aid of a F.W. Central penalty, E.H.S. marched 57 yards in 8 plays for 7 points. Jim Stewart intercepted his fifth pass of the season on his own 41 with 51 seconds remaining in the half. Five plays later, E.H.S. led 14-0.

An off-sides penalty gave E.H.S. the ball on Central's 14. Phil Turnock scored and the Blazers led 21-0. Jack Turnock recovered a fumble on the Central 29. Late in the fourth quarter, a pass from Camp to Held netted the final 6 points. Ron Papa made three out of four extra points, and the final score was 27-0.

## edge Out M. City.

The Blue Blazers got revenge on Michigan City's Red Devils while en route to their fifth straight win on Rice Field. For the past two years the Devils had beaten the Blazers in the waning seconds of the game. But this year, the Blazers were not to be denied. The first period was a draw, thanks to Gary Mann's long punts, which pushed City deeper into their own territory. Mid-way in the second quarter, Phil Turnock applied a bone-crushing tackle that resulted in a City fumble and a Blazer recovery. Jesse Redd scored and E.H.S. led, 6-0. City scored, and after an exchange of punts, Bob Held scored for a final score of 13-7.

## ***We drop one, but bounce back,***

Elkhart suffered its first loss of the season at the hands of the S.B. Adams Eagles. The Blue Blazers were beaten on School Field for the end of their five game winning streak, and also suffered loss of prestige which had ranked them as the fifth team in the state. The Blazers got their only score on a third down situation. Quarterback Jim Evans passed to Bob Held, who threaded his way past all defenders and crossed the goal line untouched. The Blazers turned in a rugged defensive job, however, yielding valuable yardage only after holding the Eagles for two or three downs. Final Score 26-6.

The Blazers avenged last year's homecoming loss by spoiling Mishawaka's homecoming at Tupper Field. The first scoring came in the third quarter when Ted Jackson returned a punt to the Maroon 39. Camp threw to Held for 10 yards. Jackson, Held and Turnock carried to the 11, and on the next play Held swept into the end zone. Jackson recovered a Maroon fumble and Stewart carried to the Mishawaka 46. Camp passed to Stewart for 38 yards and Held crossed over into paydirt seconds later. Ron Papa made both extra point attempts to make the final score 14 to 7.

## omp over LaPorte.

After a quiet first half and a not-so-quiet "pep talk" in the locker room by Coach Janzaruk, the Blazers did an abrupt about-face and swamped the Slicers 42-0. Bob Held scored one touchdown and narrowly missed a second while in the process of getting 225 of 516 total yards gained by the Blazers. Phil Campagnoli scored two touchdowns, both on short lunges through the middle. Jim Stewart played his best game by far, going 143 yards in thirteen carries for an eleven yard average, which also included a touchdown. Charlie Watkins gathered in a Campagnoli pass for another touchdown and also carried the ball on three occasions. Ron Papa, besides his placement kicks, showed his power as a fullback and wound up the night with a six yard per carry average and one touchdown. The final score was 42-0, the Blazers 7th victory.

## Bears defeat Blazers

Central's Bears closed the door on any hopes the Blazers might have had for a conference title by beating the Blazers, 28-7.

The lone Blazer touchdown came on an interception by Jim Stewart. Stewart, Held, and Turnock carried the ball down to the two yard line, where Camp plunged over for the score. Papa made the extra point.

Gary Mann had punts of fifty, fifty-one, and fifty-five yards, ending the night with an average of forty-five yards for seven punts.

Senior Managers Louis Fairfield, John Helfrick, and Bill Roose.

Mann and Turnock stop Riley back.

## Riley win closes Jan's best season.

The Blazers closed out the 1958 football season by beating the Riley Wildcats 48-0. Bob Held scored the first Blazer touchdown on a punt return. Jim Stewart caught the ball and handed off to Held, who went all the way behind perfect blocking.

Other highlights in the game were Phil Campagnoli's seventeen yard run from scrimmage for a T.D. and Jesse Redd's two touchdowns in the fourth quarter. The annual football banquet was held in the Hotel Elkhart, under the sponsorship of Lions Club. Phil Turnock was elected captain of the 58-59 Blazer squad. Gary Mann was selected as most valuable player and also accorded All Conference end. Don Swift received the Oil Can Trophy for the most team spirit. John Weaver and Joel Ellis were awarded the trophies for best offensive and defensive lineman, respectively.

This season, with 8 wins and 2 losses, was the best season since '41.

## Off To A Shaky

Coach Bell, in tense moments of games.

The young Blazer basketball team entered the '58-'59 campaign with the smallest team in over a decade. Coach Max Bell and assistant Coach Joe Harvey assigned the rebounding duties to the "big" boys; center 6'2" Wally Summers, and forwards, Steve Reim and Dale Fonner, both six feet tall. Six seniors and five juniors made up the Blazer basketball squad.

Summers battles for the ball.

## Start, the Blazers won two, and then

Eldy calls 'em.

The Blazer's first venture of the season was against East Chicago Roosevelt Rough Riders. Although both teams played a shaky first half, the Blazers put on a second half drive that gave them their first victory, 50-43.

Veteran Steve Reim hit a terrific 53' from the field to lead the Blazers with 23 points.

Next the Bellmen downed the suprisingly strong Bulldogs of Nappanee. The Blazers' poor field goal percentage and the Bulldog's terrific free throw percentage made the game a tight contest. A free throw by Wally Summers in the final moments gave the Blazers a 50-49 edge over the county rival.

East Chicago Washington, one of the tallest and toughest teams in the state, invaded the Blazers' home court to hand them the first loss

of the season, 69-52.

The following week the travel-weary Blazers were edged by the Columbus Bulldogs, 69-63. This evened the Blazers record at two and two.

The hard-fighting Blazers opened their Eastern NIHS conference basketball season with a 60-54 victory over LaPorte. It was the third win in five starts for the Bellmen.

The Bellmen stayed undefeated in the conference race by ripping the Mishawaka Cavemen, 69-59. Summers, hitting very consistently, connected with 26 points.

The Blazers were handed their third loss in seven games by the top-rated Muncie Bearcats, 69-59. The height advantage of the Bearcats was too much for the Bellmen to overcome.

Flying Talbert attempts to block a shot.

Speedy Merritt lays one in.

## Hit Their Stride,

The Elkhart Blazers playing host to Ft. Wayne South, Terre Haute Gerstmeyer, and Indianapolis Scecina opened the Holiday Tourney against the '57-'58 champs, Ft. Wayne South. The Blazers were edged 66-59 by the Archers and then lost to the Scecina Crusaders, 60-55.

After leading 49-30 midway into the third quarter of the Kokomo game, the Blazers submitted to Jimmy Rayl who swished through 24 points in the second half. The Blazers were ahead by one point but a long shot from the side by Thurston clinched the game for Kokomo.

The Blazers again ran up against a one-man team in the name of Ron Zalewski of S. B. Washington. However Elkhart's balanced scoring was enough to make up for it and the Blazers defeated Washington 80-67.

Ft. Wayne's high-riding Central Tigers, rated 7th in the state, were the victims of the Blazers 47% field goal shooting. Paced by Steve Reim's 31 points, Elkhart spilled the Central Tigers, 57-53.

Michigan City's conference-leading Red Devils had a scare when the determined Blue Blazers fought back from an 11 point deficit to within four points of City's score. However, the Devils charged ahead to win, 59-52.

Reim eludes a flying pursuer.

Fonner leaps to capture another rebound.

## *Rated High in NIHSC;*

After trailing the Richmond Red Devils through most of the game, the Blazers' center Wally Summers scored the winning basket in the last 10 seconds of play and fouled out at the same time. Richmond's John Sweet failed to tie the game on the foul shots and the Blazers captured their seventh win of the season.

The Bellmen collected their eighth win with little trouble by trouncing Ft. Wayne North, 67-51.

The Goshen Redskins invaded the Blazers home court in hopes of halting Elkhart's 35 game winning streak. The game was tight all the way before the Blazers finally edged them 70-65.

South Bend Riley's Wildcats made a wild game of it as the Blazers won their easiest game of the season, 67-46. The game was marred by numerous scuffles but the Blazers capitalized on free throws and won the game.

An informal line-up of B team boys.

EHS cheerleaders, Rhea Belinkey, Helen Horn, Faith Truex, Becky Smith and Pat Lambdin.

## Looking Good, the Blazers

Washington Clay, the St. Joseph county champions, were no match for the Blazers. Although Clay's Roger Anglemeyer dumped in 30 points, the balanced scores of Talbert, Summers and Reim with 17, 16, and 15 points, respectively, more than made up for it as the Blazers won 61-48.

The Blazers with Wally Summers out with the flu and several others weak from effects of the flu, blew a first-half lead and lost to South Bend Adams, 58-52. With this game they avenged the loss to Elkhart in the '58 Regionals.

The last regular season game was one of

the best of the year. It was see-saw all the way and ended in a tie. In the overtime the Blazers missed numerous attempts as South Bend Central scored two to edge Elkhart, 59-57.

Merritt looks for an opening.

Don Swift, John Helfrick, and Bill Raftree, our pep session gang.

Evans tries to boost the score.

## Went into Tourney Play,

Overcoming many good teams, the Blazers came out on top by winning the Sectional Tournament. Elkhart constructed a halftime lead over Nappanee and went on to win 58-46. In the next game the Shipshewana Scotties battled the Blazers on even terms for three quarters until Elkhart scored 19 points in the final stanza. Nearing the end of the tournament, the Blazers met the Middies who couldn't quite make it as the Blazers won 62-50.

In the final game of the Sectional, Concord's scrappy Minutemen fought to the last minute as the Blazers stopped their winning streak at 24 games. It was a fast game as the lead changed hands several times throughout the game. Concord hit a fantastic 100% of their free throws but the Blazers won their fourth consecutive Sectional.

The following week the Blazers met the Columbia City Eagles in the Regional Tournament. With a definite height advantage, the Eagles built up a first-half lead which the Blazers were unable to overcome. The Eagles won 72-58.

Yeah! That tourney score.

## And With Everybody Cheering

Much color is added to the Blazer basketball games held at the Northside Gym. Spectators feel a pride in the building itself and enjoyed all that goes with "Indiana Madness."

A specially chosen group of musicians known as the "Pep Band" plays at all the EHS pep sessions and home games. Two years ago Mr. Davies and the band members chose informal uniforms for these appearances: sharp-looking blue and white striped jackets, dark trousers, white shirts and bow ties.

Perhaps this would be a good place to acknowledge our indebtedness to the "men behind the men." Most of the men on the EHS faculty work at basketball games as gate keepers, ticket sellers, and score keepers. But the biggest job of all, the ticket sales, from the first game through the tournaments, was efficiently handled by Ivan C. Gill.

This year marked the fifth year that EHS organized the Cheerblock. New sponsors this year were Miss Campbell and Miss McKeehan who took charge of seating, attendance, and jerseys. The Cheerblock attended all home games, Sectionals, Regionals, and the Holiday Tourney.

Our fans register a sad moment.

## Ended as Sectional Champs

The successful basketball season was climaxed with the annual Basketball Banquet which was held at the Elks Club. Forrest (Fordy) Anderson, head coach at Michigan State, gave an inspiring talk on the value of sports in one's life. The coveted Most Valuable Trophy was awarded to Dale Fonner, Steve Reim was elected Captain and Dick Talbert won the Emmert Free Throw Award. Don Pletcher, B team forward, won the Robbins Memorial Award for the best free-throw shooting on the B team. Coach Bell thanked the boys for a good season and hoped that their experiences in basketball would help them in life.

Basketball award winners and speaker: Dick Talbert, Dale Fonner, Steve Reim, Don Pletcher, Back row, Forrest Anderson, Duane Peterson, Bill Donella, and Max Bell.

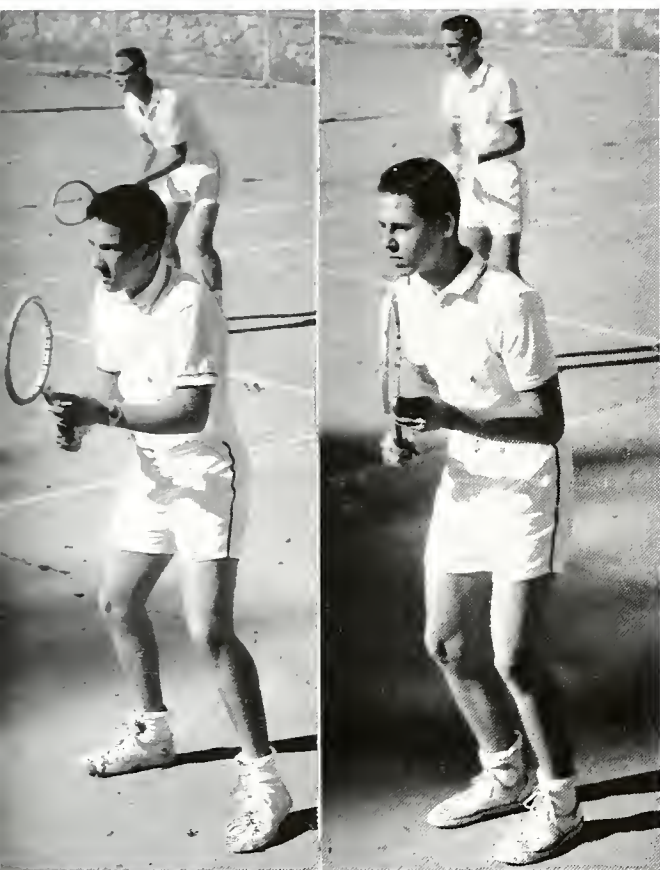

## Blazers B team

With more height and potentiality than in past years, the B team ended with a 14-6 season record. This year's B team members were Jon Birdsey, Steve Bell, Bob Bozzo, Jim Dempsey, Dennis Foster, Jerry File, Chuck Lamb, Larry Lech, Tom Mathis, John Peckham, Don Pletcher, Steve Price, Steve Raholin, Merrill Smith, Syd Ullis, and Bob Walton.

## Tennis Cops

### Conference 3rd Place

Charlie Walker's EHS tennis team opened and closed their season with decisive victories over E.N.I.C. foes. They compiled a 4 won, 4 lost record and consequently tied with Fort Wayne North Side for 3rd place in the conference.

Starting the season with one returning letterman, the Blazers shut out LaPorte and Mishawaka before falling to an experienced Goshen Redskin team 3-2. Taking to the road, they were edged by Fort Wayne North Side 3-2. Getting back on the winning trail, the Blazers manhandled the S. B. Riley team, winning 3-2 but lost to S. B. Central by the score of 4-1. Closing out the season, the Blazers journeyed to Michigan City and captured a 3-2 win over the Red Devils.

For the third consecutive year the Blazers reigned supreme in the No. 1 doubles competition. Recognized as one of the top E.N.I.C. single players, Captain-elect Dave Darling ended his final year of varsity play.

Through graduation the Blazers will lose T. K. Brenneman, Darling, and Jim Lerch. Expected to form the mainstay of next year's Blazers will be returning lettermen, Tim Barrett, Bill Holdeman, and George Tschumakow.

## Harriers Place 6th

### At State Meet

Coach Joe Harvey developed for his third consecutive year a strong cross country team. This year's harriers chalked up a record of thirteen wins out of thirteen regular meets for the eastern NIHS conference crown. Taking home the first place trophy and individual honors, the team participated in the first annual South Bend Central invitational relay during the season. Facing a set-back in the NIHS conference meet with a sixth place, the harriers staged a strong come-back at the sectional meet to hold their team championship, as junior Chuck Umbarger successfully defended his individual crown. To climax their season the cross-countrymen traveled to Indianapolis for the state meet where they finished in sixth place. At this state meet Chuck Umbarger took first place in the two mile event to become the individual state champion.

C. Umbarger comes down the home stretch.

Baseball pitchers warm up: Jack Merritt, Duane Turnock, and Larry Long.

## Baseball Squad Shows Great Gain

Late inning rallies and fine pitching have helped the Blazers to one of their finest starts in thirteen years. Coach Jerry Hostetler's team has won seven straight ball games after two early season losses. This seven game-winning streak is due to an all-around team effort.

Strong pitching and good hitting have kept the Blazers in first place in the conference. Seniors Jack Merritt and Duane Turnock combined to pitch twenty-three scoreless innings in conference play before a run was scored.

In conference play, junior Clete Kelly drilled a long homerun and senior Jack Merritt pitched a three-hit ball game as the Blazers blanked a strong Michigan City team 3-0. In other conference games the Blazers shut out an old rival Goshen 1-0. Lefty Duane Turnock pitched a one-hitter. The Blazers then white-washed South Bend Washington, 2-0. The team traveled to Mishawaka where they defeated the Cavemen 10-5. Thus the Blazers support a 4-0 conference record.

EHHS baseball team: first row, R. Freshour, J. McClaine, J. Wright, C. Kelly, T. Mathis, second row, J. Merritt, J. Severns, T. Brenneman, J. Turnock, G. Mann, third row, Assistant Coach Joe Harvey, G. Kling, T. McFall, L. Long, D. Turnock, and Coach J. Hostetler.

## Wrestlers Take Conference Honors

Wrestling, a newly revived sport at EHS, ends its second year with very distinguishing results. Coach Rollie Hoover's matmen had an 8-2 record, with excellent showings in all tournaments and meets entered. The team boasts Holiday Tourney and conference championships. They also qualified six men for the regional at Lafayette and one man to the state meet.

With the return of more than half of the varsity wrestlers, Elkhart anticipates having an even better team next year. Varsity letter-winners returning next year are Bob Scott, Ted Fairfield, Lyle Smith, Clete Kelly, John Weaver, Bill Hollar, Jack Turnock, and Larry Gall. Through graduation the wrestling team will lose several lettermen: Louis Fairfield, Harold Hansborough, Ted Jackson, Jeff Slabaugh, Rod Bentley, and Joel Ellis. The team will also lose their senior manager, John Helfrick.

## Track Squad Is Way Out Front

The Elkhart Blazers opened their track season this year in a blaze of glory by defeating three of the state's best track teams. This meet was held in the Notre Dame Fieldhouse. The teams participating were Elkhart, Fort Wayne North Side, Kokomo, and Muncie Central. This was also the order in which the teams finished.

The Blazers have had a tremendous season this year. Winnings include first place awards at such meets as the Goshen Relays and the Eastern Division of the Northern Indiana Conference. The Blazers have remained undefeated in eight starts. It has been said by Coach Matt Ronzone that this is the best Elkhart track team since 1929.

The Blazer track team again ran away with the Sectional track meet held at Rice Field, May 8. Elkhart which qualified 19 boys for the Regionals, compiled 90 points.

On May 12, the Blazers traveled to South Bend to be defeated 56-53 by South Bend Central; however on May 15, they won the Regionals and have high hopes of coping state honors.

EHS track team: B. Scott, M. Williams, J. Evans, B. Held, J. Redd, C. Middleton, R. Hoover, J. Janzaruk, standing. D. Erne, C. Umbarger, P. Pettit, R. Adams, T. Gaspelin, J. Conner, J. Middleton, S. EHS golf team: first row, J. Troyka, S. Bell, J. Cawley, second row, B. Moenich, Coach Max Bell, and M. Haines.

## Golfers Win Second in Conference

After a lapse of many years, golf was resumed at EHS, with Max Bell as coach. The teams practice at the Elks Club, and most of the equipment is furnished by the players

This year's team was at a great disadvantage because of a lack of experienced players. Only two lettermen, Bob Moenich and Jay Troyka returned. However two underclassmen, Steve Bell and John Cawley earned places on the varsity squad, and Mike Haines, senior, made the fifth member.

The team's first match with Edwardsburg, was taken by the Bellmen, 11½ to 3. The first conference match was with Riley and Adams at South Bend. Elkhart won the match, but lost the next one, to LaPorte.

Playing Central of South Bend, Mishawaka, Michigan City and Fort Wayne Central, the squad improved and won second place in the NEIC.

At the Invitational meet in LaPorte on May 9 the squad tied for third with West Lafayette. Mike Haines, playing in the third position, fired a 76 to tie for second low medalist.

## B Squad Looks Good

The B team golfers, showing much promise for a strong varsity club next year are Bob Silcott, Jeff Van Horn, Jim Stewart, Dick Klingaman, Chuck Lamb, John Bentz.

These boys have won 4 out of 6 matches on their schedule.

Intramural golf was offered this spring with Mr. Scher as coach; 18 boys have been playing on the Elks Club course.

Moenich eyes the ball;  
Haines follows through.

## Varsity Club

Varsity Club officers: Steve Emmert, Gary Mann, Bob Juhl and Don Swift.

The Varsity Club, with Mr. Silcott as sponsor, met before school on the first and third Thursdays of each month. During the year the forty "E" men worked on many projects including: encouraging more participation and yelling at pep sessions and games, drawing pep posters for the halls, having two parties, (one during the winter at Cook's ranch), working on the Dime Line, and sponsoring the annual "Will Be-Has Been" game.

To become a member of the Varsity Club a boy must earn a major "E" in any of the E. H. S. sports. Some of the "E" men joined together to form their own cheering section for the basketball games.

To remain a member of the Varsity Club, a member must defend his letter by "going out" for the sport he earned his letter in, or for another sport.

The club ended its year with a dance for "E" men and their dates on May 9.

# Girls Athletic Association

In order to fulfill its purpose of improving sportsmanship and individual ability in sports, the Girls' Athletic Association, under the direction of Miss Kendall, has taken part in many athletic activities this year.

The G. A. A. played its regular volleyball schedule, held an interclass basketball tournament, and worked on the Dime Line.

Besides the annual activities, the club attended a district playday at Plymouth and sent two of its officers to a G. A. A. leadership camp to get new ideas for the club. Because these members had earned enough state points, they were eligible to attend the Plaque Playday at Purdue University on April 11.

The final activity of the year was the awards banquet which was held May 8.

The G.A.A. officers: Karleen Richter; Sandy Hartman; Joan Singleton; Miss Kendall, sponsor; Sharon Lambdin, and Mickey Galloway.

During the year the G.A.A. travels to other cities to compete in tournaments and games.

## Our Administrators

Mr. J. C. Rice, our superintendent of schools, is largely responsible for the efficient operation of all Elkhart schools.

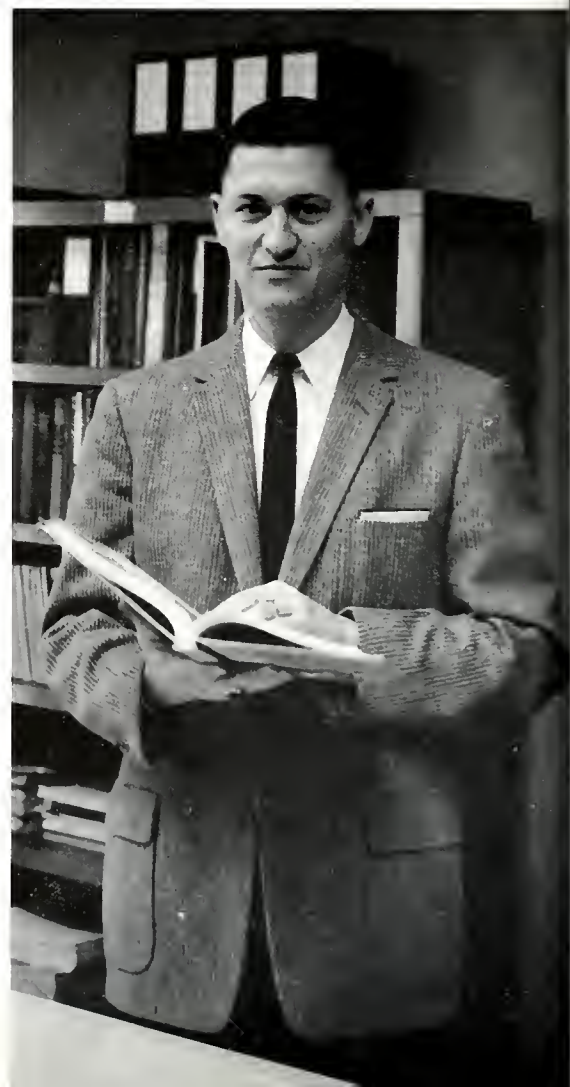

Although not many students know Mr. Rice personally, we recognize him as a man who is always interested in our curriculum and in our special projects.

Not only is Mr. Rice a leader in school administration but he is also a respected community leader. It is our good fortune to have such a capable man heading our schools.

Superintendent of Schools,  
Mr. J. C. Rice.

Mr. Wollenweber and Mr. Burns.

Dr. Arlo Schilling.

The School Board: Mr. Howard F. Christner, Mr. Chester Huffman, Mr. Phillip E. Byron, Mr. Melvin Glendenning, and Mr. Eldon Lundquist.

## and Board of Trustees

The Board of Trustees meets each Monday night during the school year. The business of building, financing, and running the schools is carried on. One of their major problems is competing with the growing population.

Dr. Arlo Schilling, our new curriculum director, is responsible for making the high school a more profitable experience for all students. His witty, informal manner helps him be a success in his job.

Mr. William Wollenweber is the Elkhart School City's building and grounds superintendent. A busy man, he is responsible for the maintenance of all Elkhart schools. Included in his job are the building, remodeling and upkeep of schools and playgrounds.

Mr. Maurice Burns, the business manager, handles all school finances. He instructs all school organizations in the handling of finances. Along with managing the affairs held in the North Side Gym, he handles all the extra-curricular funds of the schools.

## Our Principal, Dean, and

At the beginning of the year in an assembly, Mr. Woodruff told us what he expected of us, as students of EHS. He expressed a desire for all of us to have high ideals and good principles as well as to behave ourselves in a fashion complimentary to our school.

Woody, an enthusiastic school supporter, attends all plays, concerts, games, and suppers which are put on by various clubs in EHS. His school spirit surpasses that of any other student or faculty member.

Because of his firm yet informal manner, he has gained the respect of all EHS students and is acclaimed as a friend to many of us. The class of '55 will always remember and thank Woody for the help he has given us in the past three years.

**Principal C. P. Woodruff.**

Miss Kirkland, Placement Counsellor, and Mr. Organ, Vocational Coordinator, work together in setting up programs giving vocational information.

They are responsible for bringing in representatives from technical and business schools to confer with interested students.

As Placement Counsellor, Miss Kirkland discusses vocations with all juniors as a follow-up of their Kuder tests. She confers with all students who have part-time jobs and attempts to find jobs for students who need to earn money. She issues bulletins on seasonal jobs and gives advice to all students in job situations.

As Vocational Coordinator, Mr. Organ works closely with local industries helping the boys in our vocational courses to find jobs or work as apprentices. In turn, he supervises the vocational department, seeing that our courses meet the demands of local employers.

**Miss Kirkland and Mr. Organ.**

## Counsellors Guide us

The EHS guidance staff, headed by Mr. Woodruff, Mr. Updike, Mrs. Fitzgerald, Mr. Rogers, and the six counsellors, performs many duties in order to adequately counsel high school students.

The deans, Mrs. Fitzgerald and Mr. Rogers, are in charge of attendance and personal problems of the students. Sponsors of the Boys' League and Girls' League, they are primarily concerned with the social and personal aspects of counselling.

The principal, Mr. Woodruff, and assistant principal, Mr. Updike, deal with student disciplinary problems arising during school time.

Mr. Updike is in charge of the testing program and deals with all matters concerning scholarships for EHS students.

Mr. Updike, Mrs. Fitzgerald, and Mr. Rogers.

The counsellors Mr. McHargue, Miss Sharp, Mr. Kauffman, Miss Deal, Mr. Hart, and Miss Jarvis.

One of the recommendations made by Dr. Conant in his book, *The American High School*, is for individual program counselling. This type of counselling has been in effect at EHS for several years. We have no "track" curriculum patterns with students taking vocational, commercial, or college prep courses. Instead, our six counsellors through conferences with each student try to plan an individual program for each of us best-suited for our needs after graduation, and guide us until we leave EHS

## Of the Guidance Program

An important part of the EHS guidance program, the Guidance Council is composed of Mr. Woodruff; Mr. Updike; the two deans, Mr. Rogers and Mrs. Fitzgerald; the six counsellors; Miss Kirkland; and Mr. Organ. Meeting once a week, this council plans discussions and supervises every part of school activities: curriculum, attendance, activities, athletics, faculty-pupil situations. Because the Guidance Council is composed of the chairmen of the various guidance committees, it serves as a "frame" which directs the functions of the various guidance committees of the school.

Of course, an important part of the guidance work is program counselling. In the EHS set-up, the plan is that two counsellors guide each class from the time they are sophomores until they graduate. Naturally, as students discuss their programs with their counsellors, they also discuss personal problems. In this way, by the time we are seniors, our helpful counsellors know each of us pretty well.

One of the Guidance Committees, the homeroom committee is composed of Mr. Kauffman, chairman; Miss McKeehan, seniors; Mrs. Miller, juniors; Miss Amsbaugh, sophomores. This committee plans all homeroom activities. A sponsor from each class also belongs to the committee and gives ideas in relation to class activities. In order to co-ordinate homeroom programs, the

committee meets every month and plans next month's programs.

Then each class chairman meets with the presidents and vice-presidents of all homerooms on that level and helps them plan their programs. When the programs are planned, the committee sends out a bulletin which lists the homeroom programs of that particular month. Student Council reports and topics for discussions are incorporated into these homeroom discussions.

Homeroom programs for each class level are directed toward the interests of that particular class. Sophomore programs help students get acquainted with EHS: courses, activities, traditions. Junior programs follow the theme, "choosing our vocations." In the senior year we have programs about our future plans, jobs or college.

The purpose of the guidance committees is to make more extensive plans in the particular phases of the guidance program. The assembly committee plans various assemblies directed toward the betterment and development of the student. The activities committee directs extra-curricular activities: clubs and dances. Because of our guidance committees and our guidance program, EHS students find school life both pleasant and profitable.

Michele Schmalzried tells homeroom 321 about pep session procedure during a panel discussion.

Ron Papa discusses plans with the other Senior Class officers and the sponsors.

Our Senior Year arrived at last: the most exciting, the most important—the last year for us, the Class of '59.

As leaders we were in charge of the year-book and held key positions in the band, orchestra, and choir. Many of our classmates won top honors in speech contests, music contests and sports.

Our first activity of the year was our play, "Teahouse of the August Moon." Because the play had a larger, more appreciative audience than any other class play in recent years, we classified it as exceptionally successful.

Ann Cleveland talks to a group of seniors about her trip to Finland.

## of 1959

As we followed our Blazers through the football and basketball seasons, we realized that many seniors were playing for the last time on Rice Field or at the North Side Gym. This gave an added emotional impact to our pep sessions, and to our victories.

Soon January arrived and we were busy ordering name cards, announcements, and choosing our caps and gowns.

As we planned our Senior Day program, the Class of '59 achieved an artistic success. A special committee wrote an original musical comedy, entitled "The Arabian Nights", a fantasy. Combining their talents, they wrote the script, the music (assisted by Mr. Kilbert) and the lyrics for their songs. Oriental dance numbers were designed and directed by our classmates; others made the sets and costumes.

Another group of hard-working seniors was responsible for the publishing of the Pennant Annual, which came out June 6. With Judy Goldsberry and Tom Deputy as editors, and Bill Rice as business manager, the 216 page book was delivered to 1,400 subscribers.

Perhaps the most memorable part of our year was Commencement night when our loved and respected teacher Mr. Ivan C. Gill gave our Commencement address.

## History of the

Adham becomes a part of Homeroom 15.

Football games, dances, classes, and parties—thus began our second year in high school. With our officers, John Conner, president; John Birdsey, vice president; Vonnie Reinoehl, secretary; Vicki Reinoehl, treasurer; Carolyn Hartzler, girls' social chairman; Ross Schneider, boys' social chairman, and our sponsors, Mr. Rohrer and Miss Kendall, we planned our "ultrasonic" follies, "Rockin' in the Moon".

In October, we received our class rings and pins which we proudly wear.

Each one of us spent the winter in our own busy way, and at last spring came. One of the highlights of spring was our class party, "The Buccaneer Bounce." It was held at Studebaker Park. There was a treasurer hunt, tug of war, and supper. A special play was given and there was dancing of course.

Then, at last came our prom. This year our prom had an oriental theme, Sayonara. On May 16, the North Side Gym was packed with couples enjoying this, our last project of our junior year.

## Class of 1961

As we walked in the crowded halls gazing at the strange faces, we realized that at last we were members of Elkhart High School.

Even though the staggered program rather "staggered" us, we became accustomed to being in class one hour and out the next.

To begin organizing our class and our activities, we elected our officers. They were David Erne, president; Mary Jo Fortino, vice president; Sue Warford, secretary; Judy Sorg, treasurer; Nancy Keech, girls' social chairman, and Matt Yeknik, boys' social chairman.

During the winter we were busy with ball games and homework. Then came spring and parties. In April, we held our class party and in May, we had a picnic at McNaughton Park.

As the school year closes, we are happily anticipating coming back to high school next fall to be "upperclassmen" and to have our fun with the new sophomores.

Sophs buy picnic tickets: Fay Friedman (seated), Louis Lindemann, Sherry Reed, Phyllis Pauley, Tim Hicks.

Dave Erne, president; Mary Jo Fortino, vice president; Sue Warford, secretary; Judy Sorg, treasurer; Nancy Keech, girls' social chairman; Matt Yeknik, boys' social chairman, Mr. Troyer, sponsor, and Miss Campbell, sponsor.

Pondering your future? Of course you are—every near-graduate is pondering his or her future. And you began your deliberations as far back as your freshman year . . . perhaps you are *still* trying to come to a decision.

We have a suggestion. We'd like to throw our hat into your ring!

Look to newspaper, radio or television. There are literally dozens of possible directions you can turn within these fields.

You may be inclined to writing . . . all media need writers. Perhaps you're planning a sales career . . . all three media depend on sales personnel for their existence. Thought about advertising? The smartest advertising minds in the country are employed in mass communications media. Maybe you're mechanically, or electronically inclined . . . ever seen a newspaper press or a radio or television control room?

Like to know more about work in these fields? We'll be glad to help you chart your course! Ask your counselor to arrange a meeting for you with someone from
